Dear Mr. Caldwell:

**RE: Your Request "For Information about Marijuana & Illegal Drug Labs have been Identified":**

I am responding to your request for access to information, our file number 070228.

Please be advised that the Toronto Police Service Drug Squad did not maintain or record statistical data regarding your request prior to 2003. Further please be advised that there are no recorded statistics regarding "Other Illegal Drug Labs" therefore, access to this portion of your request cannot be granted because such record does not exist.

Partial access is granted to all available statistical data concerning your request. Some information has been removed as it does not pertain to your request (non-responsive). Access is denied to certain information pursuant to subsections 14(1)(f) and 14(3)(b), and of the *Municipal Freedom of Information and Protection of Privacy Act*. These subsections apply because:

| <u>Sub-Section</u> | <u>Reason</u>                                                                                                                                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 14(1)(f)           | Disclosure would constitute an unjustified invasion of another person's privacy.                                                                                                                                                                                                                                                              |
| 14(3)(b)           | Disclosure of personal information is presumed to constitute an unjustified invasion of personal privacy where the personal information was compiled and is identifiable as part of an investigation into a possible violation of law, except to the extent of disclosure necessary to prosecute the violation or continue the investigation. |
| Non-responsive     | Some information has been removed, as it does not pertain to your request.                                                                                                                                                                                                                                                                    |
